

**The world is the stage.
The Bible is the script.**

**God is offering you
the role of a lifetime!**

The story that unfolds between Genesis and Revelation is not a remote one, buried under the layers of history. It is vital and ongoing—and, today, *we* are at 'center stage.'

Explore ***The Divine Drama***, to see the connections between Old and New Testaments and discover what it all means for our own 'divine drama' that's in progress.

"Growing in a relationship with Jesus requires me to see what the Unchangeable wants of me. This course lays out a wonderful outline of God's history and will for humanity."

—Class participant
